

## STUDENT MEMBERSHIP

The Alberta Association of Optometrists offers a membership program to students who are currently studying optometry. The membership allows the students to stay informed of what's happening in Alberta in relations to optometry through our AAO newsletters. As well, students receive copies of Optomart. Optomart is the AAO's classified ads which list job opportunities in Alberta.

For more information, or to join, please contact Sarah Hennessey at:

(780) 451-6824
