

ALBERTA ASSOCIATION OF OPTOMETRISTS OVC MANUAL INSERT

Directive Number: **MAG-1**

SUBJECT: MAGNUM CEMENTING SERVICES

Magnum Cementing is unique in that they will cover a partial payment of the safety glasses in partnership with the employee. The company will cover 50% of the cost of prescription safety eyewear, up to maximum of \$150.00. The employee is responsible for the balance. The employee pay portion is to be collected at the time of dispensing according to an invoice that will accompany the finished job from the lab. These amounts are to be collected and remitted to the AAO. It is advisable to request a quote for the benefit of the patient before ordering.

Effective: **October 15th, 2012**

Program Type: **Employer/Employee Contribution. Employee responsible for vision examination fee if provincial health care is not available.**

Optical Lab: Approved laboratory as listed in Manual Insert OVC-GI-2
